

SHARE OUR INTEREST IN THE ARCTIC

NETWORK WITH EXPERIENCED RESEARCHERS

Since the 1940s the Arctic Circle has brought together friends who share a lively interest in the Canadian North for monthly presentations by members and guests.

The Arctic Circle is a non-profit, volunteer organization made up of people who enjoy learning, talking and sharing information about the North.

The Circle's membership has included many of Canada's most distinguished arctic researchers, as well as those with a more informal interest in the North.

EXPAND YOUR KNOWLEDGE OF THE NORTH

The Circle meets monthly to hear interesting and informative presentations on everything arctic.

Since its first meeting on December 8th, 1947, over four hundred fascinating presentations have been given by experts on northern history, natural sciences, society, exploration, arts, transportation, astronomy, archaeology, medicine, and much more.

An annual dinner featuring a distinguished guest speaker is held in April.

The Arctic Circle meets on the second Tuesday of every month from October through April at the RCAF Officers Mess, 158 Gloucester Street, Ottawa. Meetings start at 8 p.m.; the bar opens at 7:30 p.m.

Come join us at our next gathering - all are welcome!

The annual cost of membership is:

- Regular (residents of the National Capital Region) \$30.00
- Out of town (living outside the NCR) \$20.00
- Students - \$15.00

Please pay dues at meeting or mail cheque payable to:

The Arctic Circle
